## TASH Student Section Get Involved Today

*Become part of the new student-run Student Section of TASH.*

The TASH Student Section is a sub-division of TASH for all student members. The Student Section provides students an opportunity to participate in leadership positions within the TASH community and engage in a range of student related activities and issues.

The Student Section of TASH will allow student members to:

- develop new networks of colleagues and friends by connecting with other students both nationally and internationally
- participate in leadership and service opportunities
- promote the TASH mission on their local campus through local student chapters
- create and manage student services, supports, programs, and activities for all student members of TASH to participate in.
